

We are proud to introduce Flavia and Jonathan! Through the charity EDUKID, we support Flavia and Jonathan so that they can access education in Uganda and have the chance for a brighter future. Each year, it costs £720 to enable Flavia and Jonathan to continue with their education and so throughout the year we will be fundraising to reach this total. We are grateful for your support with this and so are Flavia and Jonathan.

Hi, I'm Flavia. I am 6 years old and I live with my Auntie. I go to Koch Goma Primary School. It takes me an hour to walk to school. My favourite food is chicken. My favourite colour is white because it is beautiful and my favourite animal is a cow. In my spare time, I like cooking. At school, my favourite subject is writing. In the future, I would like to be a teacher so that I can teach pupils.

I want to say thank you for my supporters for helping me to go to school.

Hi, I am Jonathan. I am six years old and I go to Koch Goma Primary School. My favourite food is beans – they are so nice! My favourite colour is red because it is beautiful. My favourite animal is a goat because they are easy to look after. In my spare time, I like to play football with my friend Ivan. At school, my favourite subject is maths. In the future, I would like to be a teacher so that I can teach other children.

I want to say thank you to my supporters for paying for me to go to school.
