

Filtering and Monitoring

What do we do at Rosehill Methodist Primary School?

It is essential that children are safeguarded from potentially harmful and inappropriate online material. At Rosehill we have effective filtering and monitoring systems in place and their effectiveness is regularly reviewed.

Our filtering and monitoring systems are provided by

Filtering

Through our filtering system we ensure that children are not exposed to illegal and inappropriate content. Our filtering system manages the following content:
discrimination, drugs/substance abuse, extremism, malware/hacking, pornography, piracy and copyright theft, self harm and violence

Monitoring

Through our monitoring system we actively monitor through key words and other indicators across devices. Our monitoring system covers the following content: illegal content, bullying, child sexual exploitation, discrimination, drugs/substance abuse, extremism, pornography, self harm, violence and suicide.
