## Success Starts With Showing Up!

### March Attendance Goal

March has 22 school days. Let's motivate our children to attend every day! Missing just 1-2 days each month can impact their academic progress.

### A HUGE shout out to ELM Class

Well done for achieving an amazing 96% attendance this month!

Your commitment, consistency, and positive attitude really shine through.

Keep up the brilliant effort, we're so proud of you!

## Success Starts With Showing Up!

### Arriving on Time

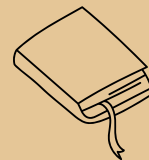

Our school doors are open between 8.45 and 8.55. This provides 10 minutes to walk around the school to take children to their class door.

Children are missing key learning such as phonics, reading practice and times tables practice.  
Please bring your child/ren to school on time.

Thank you for your support.

### What YOU can do to help make your child successful all day, every day!

- Emphasise the importance of school as it encourages development in all areas.
- Help your child get organised the night before - prepare school uniform, school equipment, PE kit and ensure any school work is ready and complete.
- Set an alarm to help your child wake up a little early so that you can make your way to school in good time.

### Can I Get Support?

Absolutely! We understand that unavoidable events can affect our pupils and their families, and we want you to know that we are here to help. The most effective way to ensure your child stays on track is by working together to provide the support they need during challenging times.

Our caring and dedicated staff are committed to making sure your child is happy and getting the very best out of their time at Rosehill Methodist Primary Academy. Please don't hesitate to reach out and speak with us, we're always here to listen and support you.

### Questions?

If you have any queries and would like to discuss your child's attendance further, please do not hesitate to contact our Attendance Officer, Miss Z Islam on 0161 343 8485.
